

Continue Learning All Summer With BrainPOP

Alaska has provided all families with unlimited access to BrainPOP through the SLED database on the library's portal.

Log on to BrainPOP while kids are out of school and help prevent learning loss!

What's Included:

Topics aligned to students' curriculum, so they're ready to go when they kick off the next school year.

Animated movies plus learning games, interactive quizzes, non-fiction leveled readings through Newsela, and more!

24/7 access from any device, so you can take advantage of BrainPOP wherever you go this summer.

It's Easy!

1. Visit to lam.alaska.gov/sled from anywhere within the state of Alaska
2. Click SLED DATABASES at the top of the screen
3. Select BrainPOP (Grades 3+) or BrainPOP Jr. (K-3)

If your child's teacher has provided you with a username and password, visit brainpop.com or brainpopjr.com and log in directly. Call 1-800-440-2919 if you are asked for a password to watch the BrainPOP movies and don't have one.

Looking for ideas on extending learning at home this summer?

Sign up at go.brainpop.com/home/tips to receive monthly tips and activities - plus four summer learning packets focusing on Reading, Math, Writing, and Physical Fitness.
